La red de farmacias y/o la red de profesionales de la salud pueden cambiar en cualquier momento. Usted recibirá un aviso cuando sea necesario.

Estas listas pueden incluir practicante de enfermería (NP, en inglés) y asistentes médicos (PA, en inglés) que ofrecen servicios de atención primaria. Tenga en cuenta que, si bien puede recibir atención de estos prestadores de servicios médicos, HealthSpring actualmente no permite que los NP o PA sean designados como su prestador principal de servicios médicos (PCP, en inglés). Si utiliza un NP o PA como su principal fuente de atención, se debe seleccionar un médico participante del mismo grupo médico que su PCP.

HealthSpring está en proceso de actualizar su directorio para incluir NP y PA participantes adicionales. Si su prestador de servicios médicos no aparece, puede comunicarse con él o llamar a Servicio al Cliente de HealthSpring al 1-800-627-7534 (TTY 711) para validar si participa en su cobertura de HealthSpring.

Sección 1 – Introducción

Profesionales de la red

En este directorio, se brinda una lista de los proveedores de la red de su cobertura. Para obtener información más detallada sobre su cobertura de atención médica, consulte la *Evidencia de Cobertura* (EOC, en inglés).

HealthSpring se compromete a crear una red confiable de prestadores de servicios médicos. Los médicos, hospitales, centros y otros prestadores de servicios médicos con los que tenemos contrato deben cumplir con ciertos requisitos de acreditación. También deben aceptar nuestras tarifas de facturación. Esto ayuda a garantizar que tenga acceso a una atención de calidad y a un precio módico. Para construir nuestra red, analizamos cuántos médicos de atención primaria y especialistas hay en un área específica. También examinamos qué hospitales, laboratorios y otros centros se encuentran en esa área. Nuestro objetivo es construir una red que le brinde opciones y acceso conveniente a tratamientos y servicios. Las redes de prestadores de servicios médicos varían según el estado y la cobertura, e incluyen médicos, hospitales y centros de atención médica en su área local.

Deberá elegir uno de nuestros prestadores de servicios médicos de la red que figuran en este directorio para que sea su prestador principal de servicios médicos (PCP). En general, usted debe recibir servicios de atención médica de su PCP. Su PCP es un médico capacitado para brindar atención médica general. Su PCP también puede coordinar el resto de los servicios con cobertura que necesita.

Los prestadores de servicios médicos de la red en este directorio han acordado proporcionarle atención médica, servicios para la vista o servicios dentales, según corresponda.

Si su cobertura incluye un beneficio de HMO dental, debe consultar a un dentista o especialista contratado por Cigna Dental Care (DHMO) para recibir cobertura. Todos los servicios enumerados en el Programa de cargos del paciente están cubiertos y usted es responsable de pagar el monto del copago indicado. Para ver una lista de estos servicios con cobertura, visite **HealthSpring.com**. Llame al consultorio dental para confirmar que aún están abiertos y aceptan nuevos asegurados de Cigna Dental HMO antes de programar una cita. Una vez que haya seleccionado un dentista general para que sea su dentista principal, deberá notificar a Servicio al Cliente de HealthSpring.

Si su cobertura incluye alguno de los siguientes beneficios de subsidio dental:

- Asignación completa para servicios dentales: puede consultar a cualquier prestador de servicios dentales con licencia de los EE. UU. que no esté excluido por Medicare. Además, puede obtener un descuento al consultar a un prestador de la red de la asignación de Cigna Dental (DPPO). De esa manera, el dinero de su asignación puede rendir más.
- Asignación dental con un beneficio fuera de la red del 50%: si consulta a un prestador de la red de la asignación de Cigna Dental (DPPO), los servicios están cubiertos al 100%. Y si consulta a un prestador fuera de la red, los servicios están cubiertos al 50%. En cualquier caso, sus servicios están cubiertos hasta el monto de la asignación anual. Los prestadores fuera de la red deben tener licencia en los EE. UU. y no estar excluidos por Medicare.
- Asignación dental dentro de la red: sus servicios están cubiertos hasta el monto de la asignación anual cuando consulta a un prestador de la red de la asignación de Cigna Dental (DPPO). Si recibe servicios fuera de la red, sus servicios no estarán cubiertos.

Consulte su *Evidencia de cobertura (EOC)* para determinar el alcance de su cobertura. Llame al consultorio dental para confirmar que aún están participando en la red de la asignación de Cigna Dental (DPPO) antes de programar una cita.

Para la atención médica, usted puede acudir a cualquiera de nuestros prestadores de servicios médicos de la red en este directorio. En algunos casos, usted puede recibir servicios con cobertura de prestadores de servicios médicos que no forman parte de la red.

Tiempos de espera para las citas

Los prestadores principales de servicios médicos harán todo lo posible por atenderlo dentro de los 30 días hábiles de su solicitud de cita.

Cuando busque servicios de salud mental, el tiempo de espera de su cita dependerá de sus circunstancias individuales. Por ejemplo, los profesionales de servicios de salud mental se esforzarán para hacer lo siguiente:

- ofrecer servicios de salud del comportamiento de urgencia o de emergencia en forma inmediata;
- ofrecer servicios de salud del comportamiento dentro de un plazo de 7 días hábiles desde que pide la cita cuando estos servicios no se necesiten con urgencia ni se consideren una emergencia, pero usted necesite atención médica; y
- ofrecer servicios de salud del comportamiento de rutina y preventivos dentro de un plazo de 30 días hábiles desde que pide la cita.

Relaciones con prestadores de servicios médicos de la red

HealthSpring tiene diferentes tipos de relaciones con los prestadores de servicios médicos. Es posible que tengamos contratos con médicos independientes, asociaciones de médicos independientes, sistema de atención organizado por el médico y prestadores de servicios médicos de clínicas en su área. Los siguientes párrafos describen la relación que estos prestadores de servicios médicos tienen con nosotros.

- **Asociaciones de Médicos Independientes (IPA)**
  Las Asociaciones de Médicos Independientes (IPA, en inglés) están compuestas por médicos de atención primaria y especialistas ubicados en su área y alrededores. Si selecciona un PCP que pertenece a una IPA, debe tener en cuenta que su PCP lo referirá a especialistas y hospitales afiliados a la misma IPA y con quienes trabaja estrechamente para coordinar su atención. Recibirá toda su atención, incluida la atención ginecológica y especializada de los médicos dentro de la misma IPA. Se puede acceder a la atención de cualquier ginecólogo de la red.

  Su IPA está diseñada para proporcionar un equipo de médicos de atención primaria y especialistas que puedan manejar sus necesidades de atención. Sin embargo, si su problema médico alguna vez le exige que busque atención fuera de la IPA, su médico de atención primaria continuará ayudándole en la coordinación de cualquier autorización previa o referido necesario para los servicios fuera de la IPA.

- Un sistema de **atención organizada por el médico (POD, en inglés)** representa una red de médicos con patrones de referidos similares, organizados para administrar servicios de atención médica a los asegurados de la cobertura. Si selecciona un PCP que pertenece a una POD, debe tener en cuenta que su PCP lo referirá a especialistas afiliados a la misma POD y con quienes

trabaja estrechamente para coordinar su atención. Sin embargo, su PCP puede referirlo a cualquier otro médico de la red fuera de la POD, y su PCP continuará ayudándolo en la coordinación de cualquier servicio necesario fuera de la POD.

- **Médicos independientes**
  Los médicos independientes son médicos de atención primaria y especialistas ubicados en su área y alrededores, que no forman parte de una Asociación de Médicos Independientes (IPA) o un sistema de Atención organizada por médicos (POD). Si selecciona un PCP independiente, debe tener en cuenta que su PCP lo referirá a especialistas y hospitales con los que esté afiliado y con quienes trabaje estrechamente para coordinar su atención. Confirme si el médico u hospital referido es un prestador de servicios médicos de la red de su cobretura. Recibirá toda su atención, incluida la atención ginecológica y especializada de los médicos afiliados a su PCP. Se puede acceder a la atención ginecológica a través de cualquier ginecólogo independiente.

Si recibe una factura

En otras ocasiones, es posible que un prestador de servicios médicos le facture el costo total de la atención médica recibida. En muchos casos, debe contactar a Servicio al Cliente o enviarnos dicha factura en lugar de pagarla. Analizaremos la factura y decidiremos si corresponde cubrir los servicios. Si decidimos que corresponde cubrirlos, le pagaremos directamente al prestador de servicios médicos. (Tenga en cuenta que no podemos pagarle a un prestador de servicios médicos que haya optado por no participar en el programa Medicare. Consulte con su prestador de servicios médicos antes de recibir servicios para confirmar que no ha optado por excluirse de Medicare). Si determinamos que los servicios no están cubiertos o no eran médicamente necesarios, podemos denegar la cobertura y usted será responsable por todos los costos.

Servicios de emergencia y de atención médica urgente

Usted puede obtener atención médica de emergencia cuando lo necesite, en cualquier lugar de los Estados Unidos o sus territorios. Nuestra póliza cubre servicios de ambulancia cuando el hecho de llegar a una sala de emergencias de cualquier otro modo podría implicar un riesgo para su salud. Consulte la Evidencia de Cobertura para obtener detalles. Además, puede obtener atención médica de emergencia cubierta cada vez que la necesite en cualquier lugar del mundo. En caso de que se presente una emergencia, hablaremos con los médicos que le prestan atención médica de emergencia para colaborar en la dirección y el seguimiento de su atención. Los médicos que le brindan atención médica de emergencia decidirán si su problema de salud se estabilizó y si cesó la emergencia médica. Una vez que haya cesado la emergencia, tiene derecho a recibir atención de seguimiento para asegurarse de que su problema de salud continúa siendo estable. La póliza cubre atención de seguimiento. Si la atención médica de emergencia es proporcionada por prestadores de servicios médicos fuera de la red, haremos todo lo posible para que los prestadores de servicios médicos de la red se hagan cargo de la atención tan pronto como su problema de salud y las circunstancias lo permitan.

Debe atenderse con prestadores de servicios médicos de la cobertura, excepto en situaciones en que necesite atención médica urgente o de emergencia. Si usted recibe atención de rutina por parte de prestadores de servicios médicos que no participan en la red, ni Medicare ni HealthSpring serán responsables de los costos.

Servicios de telesalud

Cuando necesite atención médica urgente que no sea de emergencia y su prestador de servicios médicos no esté disponible, comuníquese con un prestador de telesalud de MDLIVE®. Están disponibles para ayudar virtualmente, por teléfono inteligente, computadora o tableta. Y puede hablar con ellos sobre muchos problemas de salud. Incluyen alergias, tos, dolor de cabeza, dolor de garganta y otras enfermedades leves. MDLIVE también ofrece otros servicios de telesalud, incluida terapia de salud mental y atención virtual de dermatología. Para obtener más información sobre este beneficio, llame a Servicio al Cliente al **1-800-627-7534 (TTY 711)**.

Servicios de salud mental

Los asegurados y prestador de servicios médicos pueden acceder a los servicios de salud mental llamando a Servicio al Cliente al **1-800-627-7534 (TTY 711)**.
