HealthSpring Assurance Rx (PDP)

2027 Pharmacy Directory

This pharmacy directory was updated on October 8, 2026. For more recent information or other questions, please contact HealthSpring Rx (PDP), at 1-800-222-6700 or, for TTY users, 711, 8am - 8pm, local time, 7 days a week. Our automated system may answer your calls during weekends from April 1 – September 30 or visit myhealthspring.com.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at myhealthspring.com. You may also call Customer Service at 1-800-222-6700 for updated provider information.

Introduction

This booklet provides a list of HealthSpring Assurance Rx (PDP) network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the *Evidence of Coverage* and HealthSpring Rx (PDP) formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under HealthSpring Rx (PDP) only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverage*.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of October 8, 2026. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with a gray box to distinguish them from other pharmacies in our network that offer standard cost-sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact HealthSpring Rx (PDP).
