Need more from your Medicare prescription drug coverage?

We deliver.

Saving money and time is important, especially when it comes to your medications. So it's great to know that your plan comes with preferred home delivery pharmacy benefits. You can get more, pay less and get your medications delivered on time, every time.

More savings

You may be able to save by getting a 90-day supply of medication through Express Scripts®, our preferred home delivery pharmacy. Many generic medications have $0 or reduced copays.*

More convenience

Your medications can be delivered right to you. And you can even sign up for refill reminders and delivery tracking notifications.

More peace of mind

Your prescription packages are insulated against heat and cold. So you can feel confident knowing temperature-sensitive medications are protected.

More strength

With over seven million customers, Express Scripts is the third-largest pharmacy in the U.S. and the preferred home delivery pharmacy for HealthSpring℠.**

Home Delivery FAQs

Express Scripts Pharmacy

What are the benefits of using home delivery from Express Scripts Pharmacy?

It's convenient, cost-saving, and reliable. Medications are delivered to your home or workplace, with free standard shipping, flexible payments, automatic refills, digital tools, and 24/7 access to pharmacists.

How do I get started?

Ask your doctor to send a prescription to Express Scripts, request one in your online account or mobile app.

What medications can be delivered?

Maintenance medications you take regularly for ongoing conditions, often in a 3-month supply.

Is home delivery safe?

Yes. Packaging is discreet and weather-resistant, with special temperature-controlled packaging when needed.

When will my medications arrive?

New prescriptions usually arrive in 7–10 days; refills arrive in 5–7 days. Free standard shipping included. Faster shipping is available for an extra cost.

How do refills work?

Refill online, in the mobile app, or by phone 24/7—or enroll in automatic refills so you never miss a dose.
