

## Referral Policy

HealthSpring values the relationship between the patient, the primary care physician and other providers involved in the patient’s medical care. Our network of specialty physicians are contracted to work closely with our referring PCPs to coordinate and improve the quality of care provided to your HealthSpring Medicare Advantage patients.

In 2026, a referral may or may not be required for a patient to see a specialist. Please refer to the 2026 Provider Manual to determine if a referral is required for your patient.

For easy searching, hit Ctrl+F on you keyboard and type the 5-digit procedure code you are searching for (HCPCS or CPT).
